

Attention Parents

4 Easy Steps to VPK Registration

Child must be 4 years old on or before September 1 for the program year.

1. Complete and sign the application.
2. Attach a copy of proof of the child's age. Acceptable documents include: birth certificate, passport, valid military dependent ID card, immunization record signed by physician, INS Certificate of Arrival in US.
3. Attach a copy of proof of Florida residency. Proof must match the name and physical address on your VPK application. Acceptable documents include, but are not limited to: Driver's License, utility bill, bank statement, insurance policy, pay stubs, valid Florida or govt. documents. A post office box address is not sufficient proof.
4. Take completed application and attachments to an Early Learning Coalition site. See the website at **elcpolk.org** for times, dates and designated locations. Parents will be issued an Eligibility Certificate after the application has been approved. To enroll a child into a VPK program, parents must take the Eligibility Certificate to an eligible VPK provider to see if space is available.
