

Inclusion Warm Line

(863) 733-9080

Technical Assistance is available to assist parents, early education providers, and the community in working with children who may have unique or special needs.

Technical assistance and training is available on topics such as:

- ◆ Child Development
- ◆ Developmental Screenings (for ages birth to five)
- ◆ Curriculum
- ◆ Environmental Adaptations
- ◆ Laws and Regulations (i.e., The Americans with Disabilities Act)
- ◆ Activities and Planning
- ◆ Social and Emotional Health
- ◆ Other Community Resources
