(1) Attendance and Absences.

(a) For payment purposes, a private provider or school district shall report that a student attended all of the instructional hours offered for a day if the student attends any portion of the day whether the private provider or school district is determined to be in compliance or out of compliance with all VPK statutes and rules for the day.

(b) A private provider or school district may not receive payment for a student prior to the student’s first day of attendance or after the student’s last day of attendance.

(2) Monthly Payment and Final Reconciliation. Each early learning coalition shall pay private providers or school districts on a monthly basis for each VPK classroom in accordance with this rule unless a private provider or school district chooses to accept advance payments under Rule 6M-8.205, F.A.C. Early learning coalitions shall make monthly payments by the last day of the month following the month for which the provider is receiving payment. Each early learning coalition shall calculate and reconcile monthly classroom payments using the Agency’s statewide information system.

(a) Monthly payments shall be equal to the sum of the following calculation for each student who has attended the VPK class: the county’s allocation per full-time equivalent student (calculated in accordance with Section 1002.71(3)(b), F.S.) divided by the number of hours for the VPK program type multiplied by the lesser of:

1. The sum of the hours within the month which each student attends the VPK program divided by .8; or
2. The hours the student is enrolled in the class for the month.

(b) The total program payment shall be equal to the sum of the following calculation for each student who has attended the VPK class except that the school district’s payment shall be rounded in accordance with Section 1002.71(3)(d), F.S.: the county’s allocation per full-time equivalent student divided by the number of hours for the VPK program type multiplied by the lesser of:

1. The sum of all the hours the student attends the program with the provider divided by .8.

(c) If the sum of the monthly payments made to the private provider or school district under paragraph (2)(a) is:

1. Less than the total program payment to the private provider or school district, the early learning coalition shall make a final reconciliation payment to the provider equal to the total program payment minus the sum of the monthly payments.
2. Greater than the total program payment to the private provider or school district, the difference shall be deemed an overpayment.

(d) If a private provider or school district disputes the calculation of the total program payment based on inaccurate attendance or absence reporting or calculation, it must submit a request for an adjustment of a prior payment no later than the last day of the month following the calendar month in which it receives payment.

(3) Establishing VPK Class Schedules. To ensure that private providers or school districts receive accurate payment for a student's attendance and absences when permissible under this rule, a private provider or school district shall submit a VPK class schedule for each VPK class to its early learning coalition in writing no later than the time the provider submits its class application. Private providers and school districts are not eligible to receive payment for hours of services unless the services are rendered during hours indicated on the VPK class schedule. A VPK class schedule shall:

A private provider or school district may modify its schedule as frequently as necessary to restore instructional days lost as a result of a temporary closure caused by emergency circumstances.

(b) To modify a VPK class schedule, a private provider or school district shall submit notice in writing to the coalition.

1. If the modification of the class schedule results from a closure other than a temporary closure caused by emergency circumstances, as described in subsection (5), a private provider or school district shall submit:

a. An initial notification of the closure before the coalition's close of business on the first day of the closure. Initial notification shall indicate the provider's name and address, the date(s) of the closure, the VPK class(es) affected by the closure, and, if available, an estimate of the date upon which the affected VPK class(es) will resume instruction.

b. A notification of schedule modification no later than two business days following resumption of VPK instruction. Notification of schedule modification and resumption of instruction shall indicate the provider's name and address, the class(es) resuming instruction, the date(s) which each VPK class did not offer instruction as previously scheduled, and a revised class schedule which indicates the date(s) and times added to the schedule as revised to restore the hours lost as a result of the closure.

2. If the modification of the class schedule results from a temporary closure caused by emergency circumstances, the private provider or school district shall submit a notification of schedule modification as described in sub-subparagraph (4)(b)1. b.

(c) If a private provider or school district fails to modify a VPK class schedule as required in this rule or fails to comply with the deadlines established for submission of notifications, the private provider or school district shall be ineligible to receive payment for those closures and shall forfeit the opportunity to revise its class schedule to restore the lost instructional hours for those closures.

(5) Closures.

(a) Temporary Closures Caused by Emergency Circumstances.

1. A student is considered to have attended all VPK program hours offered during a temporary closure caused by emergency circumstances for a combined total of five (5) instructional days for each VPK class if the private provider or school district submits notification in writing to the coalition the dates which the provider was closed.

a. A closure is temporary if the provider resumes instruction following the closure.

b. A closure is caused by emergency circumstances when a state of emergency is declared by federal, state or local officials for the area in which the provider is located.

2. A temporary closure caused by emergency circumstances is not payable for any student who does not attend a VPK instructional day following the closure.

3. A private provider or school district shall revise its class schedule to restore VPK instructional days which are lost due to temporary closures caused by emergency circumstances in excess of a total of five (5) instructional days for a VPK class.

4. A private provider or school district may revise its class schedule to restore the instructional days lost as a result of a temporary closure caused by emergency circumstances instead of accepting payment for a temporary closure.

(b) Temporary Closures Caused by Other Circumstances. A temporary closure is not payable unless it is caused by emergency circumstances. A private provider or school district shall revise its VPK class schedule and receive payment for days it restores in accordance with subsection (4) following a closure.

(6) Overpayment.

(a) If the coalition determines that a private provider or school district received payment in an amount greater than the amount earned by the provider, resulting in a negative reconciliation payment calculation, the coalition shall make reasonable efforts to collect the overpayment from the provider. Reasonable efforts may include but are not limited to informing the provider of the full amount owed, making written requests for repayment, offering to negotiate a repayment schedule, and offsetting the overpayment against any future payments for early learning programs.

(b) If the coalition is unable to arrange for collection of the overpayment within ninety (90) calendar days of determining that the provider has received an overpayment and after making a reasonable effort, as determined by the Agency, the coalition shall provide all information necessary for the Agency to act to collect the overpayment. The Agency retains the ability to require the coalition to make continued efforts toward recovery of the overpayment or to consider the overpayment to be a disallowed expenditure of the coalition.

6M-8.205 Advance Payment and Reconciliation for the Voluntary Prekindergarten Education Program.

(1) Coalition Advance Payment. In order that early learning coalitions can make advance payments to Voluntary Prekindergarten Education (VPK) providers, during the first month of each fiscal year, contingent upon funding availability, the Florida's Office of Early Learning (the Office) shall provide an advance payment to each early learning coalition. The coalition advance payment shall also be used to offset actual coalition expenditures and shall be fully offset or repaid prior to submission of the final invoice for the fiscal year. Each coalition advance payment shall be equal to the school-year base student allocation divided by twelve (12) multiplied by the highest monthly VPK program enrollment, as defined in Rule 6M-8.100, F.A.C., at the coalition during the previous fiscal year, however, the Agency retains the discretion to increase or decrease the amount of the coalition advance payment based on student enrollment projections or availability of funds.

(2) Provider Advance Payments.

(a) A private VPK program provider or school district may choose to receive monthly advance payments for each VPK class instead of receiving payments in accordance with the Agency's uniform attendance policy under Rule 6M-8.204, F.A.C. The private VPK provider or school district shall notify its early learning coalition in writing at the time the provider or district enters into a VPK Provider Agreement with the coalition regarding whether it has or has not chosen to receive advance payments for its VPK classes.

(b) Each early learning coalition shall make advance payments to its private VPK providers or school districts which have chosen to receive advance payments no later than the last day of the month prior to the month for which the private provider or school district is receiving an advance payment except that advance payments for the month of July shall be made no later than the tenth (10th) day of July.

(c) Private providers or school districts that choose to accept monthly advance payments shall receive an advance payment for each month of the VPK class, which shall be reconciled on a monthly basis against actual student attendance for the month, and may receive a final reconciliation payment following the conclusion of the VPK class instruction.

(3) Advance Payment Calculation.

(a) Each coalition shall calculate and reconcile the amount of each monthly advance payment using the statewide information system. Each monthly advance payment shall be equal to the sum of the number of instructional hours each student enrolled in the class is scheduled to attend in the month multiplied by ninety-five (95) percent of the class hourly rate unless the private provider or school district received excess advance payment or should receive an additional payment as described in paragraph (3)(b) of this rule. The class hourly rate shall be equal to the county's allocation per child as calculated in accordance with Section 1002.71(3), F.S., divided by the total number of hours in the VPK program type (school-year or summer) being offered.

(b) At the conclusion of each month, each coalition shall reconcile the advance payments made to a private provider or school district in each previous month with the amount of payment the private provider or school district would have received for the month under Rule 6M-8.204, F.A.C., to determine if the private provider or school district has received an excess advance payment or should receive additional payment.

1. An excess advance payment is an advance payment for a month which exceeds the amount of payment the private provider or school district would have received under Rule 6M-8.204, F.A.C. If the private provider or school district receives an excess advance payment, the coalition shall reduce the next advance payment by the difference between the excess advance payment and the payment the private provider or school district would have received under Rule 6M-8.204, F.A.C. If the private provider or school district is not entitled to a subsequent advance payment, the difference shall be an overpayment.

2. An additional payment owed is an advance payment for a month which is less than the amount of payment the private provider or school district would have received under Rule 6M-8.204, F.A.C. If the private provider or school district is owed an additional payment, the coalition shall increase the private provider or school district's next advance payment by the difference between the amount of payment the private provider or school district would have received under Rule 6M-8.204, F.A.C., and the amount of the advance payment. If the private provider or school district is not entitled to a subsequent advance payment, the coalition shall increase the final reconciliation payment by the difference.

(4) Final Reconciliation. At the conclusion of the VPK class, the coalition shall calculate the total amount of payment which should be made to the private VPK provider or school district for the class in accordance with Rule 6M-8.204, F.A.C. If the total amount of payment made for the VPK class is less than the total amount which should have been made based on Rule 60BB-8.204, F.A.C., the coalition shall pay the difference to the private provider or school district as a final reconciliation payment. If the total amount of payment made for the VPK class is greater than the total amount which should have been made based on Rule 6M-8.204, F.A.C., the difference shall be an overpayment.

(5) Overpayment.

(a) If the coalition determines that a private VPK provider or school district received payment in an amount greater than the amount earned by the private provider or school district, resulting in a negative reconciliation payment calculation, the coalition shall make reasonable efforts to collect the overpayment. Reasonable efforts include but are not limited to informing the private provider or school district of the full amount owed, making written requests for repayment, offering to negotiate a repayment schedule, and offsetting the overpayment against any future payments for early learning programs.

(b) If the coalition is unable to arrange for collection of the overpayment within ninety (90) calendar days of determining that the private provider or school district has received an overpayment and after making a reasonable effort, as determined by the Office, the coalition shall provide all information necessary for the Office to act to collect the overpayment. The Office retains the ability to require the coalition to make continued efforts toward recovery of the overpayment or, if the coalition has failed to make reasonable efforts to recover the overpayment, to consider the overpayment to be a disallowed expenditure of the coalition.

- (c) The student's parent or guardian completes and submits to the early learning coalition the Reenrollment Application, and, where documentation is not supplied by the coalition or provider, supporting written documentation of extreme hardship of one or more of the following:

1. The illness of the student, as documented in writing by a physician licensed under Chapter 458 or 459, F.S., if the illness would result in the student being absent from more than 30 percent of the number of hours in the program type in which the student is enrolled;

2. The provider's misconduct or noncompliance which results in the provider's inability to offer the VPK program, as documented by the early learning coalition;

3. The parent's or guardian's inability to meet the basic needs of the student, including, but not limited to, a lack of food, shelter, clothing, or transportation, as documented in writing by a federal, state, or local governmental official;

4. The provider's inability to meet the student's educational needs due to the student's learning or developmental disability as documented by a federal, state, or local governmental official;

(4) Additional restrictions on reenrollment.

- (a) A VPK student may not be reenrolled except as described in this rule.

- (b) This rule shall not be construed to allow a student to be enrolled simultaneously in multiple VPK classes.

- (c) If the student is reenrolled with a coalition other than the coalition of the previous enrollment, the parent or guardian shall comply with the enrollment requirement of Rule 6M-8.201, F.A.C., in addition to the requirements of this rule.

- (d) Each early learning coalition shall comply with the eligibility determination and enrollment procedures described in Rule 6M-8.202, F.A.C., when reenrolling a student, except that the coalition is not required to repeat the face-to-face parent orientation session.

6M-8.300 Provider and Class Registration Procedures; Application; Eligibility Determination.

(1) Statewide Provider Registration Application; Supporting Documents.

(a) A VPK provider registering for the VPK Program on or after January 1, 2011, must annually complete and sign Form OEL-VPK 10 (Statewide Provider Registration Application), dated April 30, 2010, which is hereby incorporated by reference with instructions, and may be obtained as described in Rule 6M-8.900, F.A.C.

(b) Before delivering instruction or receiving payment for the VPK Program, a VPK provider must submit a complete and signed Form OEL-VPK 10, including supporting documents, to the early learning coalition in the county of the VPK provider's site. If a VPK provider has more than one VPK site, the provider must submit a separate Form OEL-VPK 10 for each site.

(c) If submitted information changes, a VPK provider must submit written notice of the changes to the early learning coalition within 14 calendar days after the submitted information changes.

(2) Class registration application; supporting documentation.

(a) A VPK private provider or public school must annually complete and sign Parts A and B of Form OEL-VPK 11 (Class Registration Application), dated April 30, 2010, which is hereby incorporated by reference, with instructions, and may be obtained as described in Rule 6M-8.900, F.A.C.

(b) Before delivering instruction or receiving payment for the VPK Program, a VPK provider must submit a complete and signed Form OEL-VPK 11, Parts A and B, including supporting documents, to the coalition.

If any of this information changes, I understand that the provider must submit updated information to the coalition, in writing, within 14 days of the change. I also understand that the provider is encouraged to submit updated information before a change is implemented as the provider may be out of compliance with the requirements of the VPK program if the changes are implemented before the coalition approves of the changes."

(3) Eligibility determination. A coalition shall determine the eligibility of a private provider or public school registering for the VPK program in accordance with Sections 1002.55, 1002.61, and 1002.63, F.S., based on the submitted documents. 6M-8.301 Statewide Provider Agreement for the VPK Program.

(1) An early learning coalition may not pay a VPK provider which registers to offer the VPK program on or after January 1, 2011, except under a provider agreement with the coalition. A coalition must be a party to a provider agreement. A school district may sign a single provider agreement on behalf of all public school VPK providers in the district. The owner or manager of multiple private VPK providers may sign a single provider agreement on behalf of all of his or her private VPK providers. A VPK provider may not offer VPK services or instruction until the VPK provider receives notice of its eligibility to offer the VPK program. The coalition shall notify a VPK provider of its eligibility to offer the VPK program by sending a copy of a provider agreement which has been signed by the VPK provider and its early learning coalition.

(2) A coalition shall keep a fully executed copy of a provider agreement in the coalition's records on the VPK provider.

(3) A provider agreement shall contain identical terms and conditions as Form OEL-VPK 20 (Statewide Provider Agreement), dated April 30, 2010, which is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C. A provider agreement may not omit, supplement, include attachments, addenda or exhibits, or amend the terms and conditions of Form OEL-VPK 20, unless:

(a) The coalition submits the agreement to the Office of Early Learning in writing; and

(b) The Director for Florida's Office of Early Learning approves the agreement before a coalition and a VPK provider execute the agreement.

(4) Early learning coalitions may not execute a provider agreement with a VPK provider before the VPK provider has registered on forms prescribed by the Agency for Workforce Innovation and the coalition has determined the VPK provider's eligibility to offer VPK services in accordance with Rule 6M-8.300, F.A.C.

6M-8.305 Recording and Certifying Child Attendance in the VPK Program.

(1) Record of child attendance:

(a) A VPK provider in the VPK program shall keep a daily record of a child's attendance in the program.

(b) If a VPK provider is also a school readiness provider, the provider may jointly record a child's daily attendance for the VPK program with the child's attendance for the school readiness program.

(2) Monthly Verification of Child Attendance. A VPK provider shall require the parent of a child enrolled in its VPK program to verify monthly the child's attendance for the prior month, as follows:

(a) A child's parent must verify the child's attendance on Form OEL-VPK 03S (Child Attendance and Parental Choice Certificate Short Form), dated February 14, 2007, which is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C., if the VPK provider records the child's daily attendance using one of the following methods:

1. A paper sign-in or sign-out log that records the date, child's name, and signature of the parent or other person dropping off or picking up the child to, or from, the VPK site; or

2. An electronic attendance-tracking system that records the date, child's name, and electronic signature, card swipe, entry of a personal identification number, or similar daily action taken by the parent or other person dropping off or picking up the child to, or from, the VPK site.

(b) A child's parent must verify the child's monthly attendance on Form OEL-VPK 03L (Child Attendance and Parental Choice Certificate Long Form), dated February 14, 2007, which is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C., if the VPK provider records the child's daily attendance using a method other than the methods described in paragraph (a) (e.g. instructor records daily attendance using a roll book). Before a parent signs Form OEL-VPK 03L, the VPK provider must record the child's monthly attendance on the form or attach documentation to the form which shows the child's monthly attendance.

(3) Monthly certification of child attendance for payment.

(a) An early learning coalition shall give a VPK provider a monthly roster, prepared by using the statewide information system, that lists each child enrolled in the provider's or school's VPK program, and includes blank spaces for a private provider or public school to certify a child's attendance for the calendar month.

(b) A VPK provider must certify the monthly attendance of a child enrolled in the provider's VPK program. A VPK provider may certify monthly attendance by electronic means approved by the Deputy Director for Early Learning.

(c) After payment for the first calendar month that a VPK provider participates in the VPK program, the coalition may not pay the VPK provider for a subsequent month until the provider submits a monthly attendance roster to the coalition which certifies the attendance of each enrolled child from the prior month.

(d) The coalition may not pay the VPK provider the final payment for the program year until the provider submits a final verification of the annual cumulative attendance of each child enrolled in the provider's VPK program, which certifies the paid hours of attendance of each child enrolled for the program year, in a manner prescribed by the Deputy Director for Early Learning.

(e) If a child arrives at a VPK provider's VPK site but the provider or school refuses the child's attendance (e.g., for disciplinary reasons, including tardiness or prohibited attire), the provider or school must record the instructional day as an absence.

6M-8.400 VPK Class Sizes; Blended Classes; Multi-Class Groups.

(1) Blended classes.

(a) A private provider or public school may organize a VPK class as a blended class, instructing children enrolled in the VPK

program together with children not enrolled in the program.

(b) A blended class may include children of any age. A private provider or public school, however, may not organize a blended class in a multi-age arrangement that prevents the provider or school from implementing a developmentally appropriate curriculum in accordance with Section 1002.67(2)(b), F.S.

(2) Minimum class size. A VPK class must be composed of at least four children enrolled in the VPK program.

(a) An early learning coalition may not issue the initial prepayment for a VPK class unless at least four children in the class are enrolled in the VPK program.

(b) A private provider or public school does not violate the minimum class size, if:

1. Fewer than four children enrolled in the VPK program attend a VPK class on a particular day; or
2. After the initial prepayment is issued, fewer than four children in a VPK class remain enrolled in the VPK program (e.g., withdrawals).

(c) If a VPK class is composed of four or fewer children enrolled in the VPK program, the VPK provider may not dismiss a child enrolled in the program, unless, within 3 business days after the child's dismissal, the VPK provider submits to the coalition written documentation of the child's noncompliance with the conduct or attendance policies of the provider.

(3) Maximum class size. A VPK class may not exceed 18 children for a school-year program or 10 children for a summer program. Children enrolled in the VPK program, and children not enrolled in the program, are both counted toward the 18-child or 10-child maximum class size. A VPK class may not exceed the maximum class size in enrollment or attendance on a particular day.

(4) Multi-class group. A private provider or public school may instruct two or more VPK classes as one group in a single classroom. A VPK class within a multi-class group may not exceed the maximum class size described in subsection (3).

(5) Compliance with other requirements. This rule does not allow a private provider or public school to exceed a staff-to-children ratio, square footage per child, licensing requirements under Sections 402.301-319, F.S., or other state or local requirement.

6M-8.410 Voluntary Prekindergarten Program Substitute Instructors.

(1) As used in this rule, the term “credentialed instructor” means a prekindergarten instructor who has the credentials required under Sections 1002.55(3)(c), 1002.55(4), or 1002.61(4), F.S.

(2) Qualifications. Voluntary Prekindergarten (VPK) substitute instructors must be of good moral character and be screened using the level 2 screening requirements in Section 435.04, F.S., before employment as a VPK substitute instructor. In addition, before employment as a VPK substitute instructor, a VPK substitute instructor must:

(a) Meet the qualifications of a credentialed instructor; or

(b) Successfully complete one or more of the following:

1. In a summer VPK program class:

- a. An associate's or higher degree in any field of study;
- b. A child development associate (CDA) credential issued by the National Credentialing Program of the Council for Professional Recognition; or
- c. A credential approved by the Department of Children and Family Services as defined in Rule 65C-22.003, F.A.C. (effective May 1, 2008), which is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C., as being equivalent to or greater than the national CDA.

2. In a school year VPK program class:

- a. Any of the credentials listed in subparagraph (2)(b)1. of this rule;
- b. A Department of Children and Family Services 40-hour Introductory Child Care Training course, as described in Rule 65C-22.003, F.A.C. (effective May 1, 2008), if the class is offered in a child care facility;
- c. A Department of Children and Family Services 30-clock-hour Family Child Care Home training as described in Rule 65C-20.013, F.A.C. (effective May 1, 2008), which is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C., if the class is offered in a large family child care home;

d. A Department of Children and Family Services 30-clock-hour Family Child Care Home training as described in Rule 65C-20.009, F.A.C. (effective May 1, 2008), which is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C., if the class is offered in a family day care home;

e. The local school district's requirements to be employed as a substitute teacher as adopted by each school district under Section 1012.35, F.S.

(3) Circumstances. A VPK provider may assign a substitute instructor when a credentialed instructor is absent from the provider's premises. A substitute instructor may not be assigned when a credentialed instructor remains on the provider's premises in order for the credentialed instructor to offer instruction in a classroom other than the one to which the credentialed instructor is assigned.

(4) Time limitation. Substitute instructors may not be assigned to substitute for an absent credentialed instructor in excess of 30 percent of the program hours. A new credentialed instructor must be assigned to replace the absent instructor in the event the absence of the credentialed instructor will exceed 30 percent of the program hours.

(a) A VPK provider shall maintain a record of the number of hours a substitute instructor has been assigned to each VPK classroom.

(b) Records created under paragraph (4)(a) shall be maintained by the VPK provider for a minimum of 1 year and shall be made available for inspection to the VPK provider's early learning coalition or the Agency during normal hours of operation, and shall submit a copy of the documentation to the coalition or Agency upon the request of the coalition or Agency.

(5) Before a provider may assign a substitute instructor to a VPK classroom, the provider must ensure that the coalition has received documentation of the substitute instructor's current level 2 background screening and applicable credentials. A coalition may maintain and publish a list of substitute instructors for whom the coalition has previously received documentation which shall indicate, at a minimum, the name of the substitute instructor and the expiration date of the instructor's level 2 background screening. If the coalition maintains a list, a provider shall not be required to submit documentation for a substitute instructor whose name and level 2 background screening expiration date appear on the list.

(6) Nothing in this rule shall be considered to supersede employment requirements for instructional personnel in public schools which are more stringent than the requirements of this rule. This subsection shall not be construed to permit employment of substitute instructors in public schools for time periods greater than those enumerated in this rule.
